RE: Covid-19 update

December 05, 2020 update

Yesterday and today residents and staff have enjoyed some extra special meals as C & S Seafood Restaurant provided lunch and supper to the site. Our thanks to C & S for their willingness to provide these special meals which has brought some joy to the site. We have also received messages of support and offers of assistance from other organizations from the Chinese community. This encouragement helps lift our spirits and for that we are most grateful.

Yesterday we completed another round of testing residents and staff and are now awaiting results.

Since we last reported, we have had three residents pass away. Our condolences go out to the family and friends who mourn this loss.
