RE: Covid-19 update

November 30, 2020 update

As of today, we have a total of 45 residents with active COVID-19. Sadly, we advise that one resident has passed since our last update. As of today, a total of 12 residents have now passed away due to COVID-19. Our condolences to all who have lost a loved one and everyone who has been affected by this.

Currently, there are 42 staff who have active COVID-19 and 7 who have recovered. Our staffing agency partners continue to work very hard to direct staff to us which we truly appreciate. We have also hired new staff over the past few days and will be orienting them as soon as we can. We wish all our staff who have been infected a full and fast recovery.

Truman Severson, Executive Director
Chinatown Multi-Level Care Foundation
