RE: Covid-19 update

December 07, 2020 update

As a result of the last tests, three additional residents have tested positive for COVID-19. All three reside on the first floor.

Four residents who had previously tested positive have now been assessed as recovered.

Since we last reported, we have had three residents pass away. Our condolences to the families and friends who have been affected by this loss.

Truman Severson, Executive Director
Chinatown Multi-Level Care Foundation
