RE: Covid-19 update

September 30 update

Edmonton Chinatown Care Centre is currently under investigation for a COVID-19 outbreak as yesterday we were advised that a staff member test positive. Yesterday and today we completed testing of the majority of residents and staff and are now awaiting results. A number of residents on third floor are on isolation as this is where the staff member worked.

Unfortunately, this means we have to cancel visits until further notice.

Truman Severson, Executive Director
Chinatown Multi-Level Care Foundation
