RE: Covid-19 update

December 02, 2020 update

As of today we have a total of 47 residents with active COVID-19; 8 are on the first floor; 24 on the second; and 15 on the third. We mistakenly reported 48 cases yesterday when the number was actually 47 cases as well. Our apologies for this error.

Currently, there are now 38 staff who have active COVID-19 and 19 who have recovered. We are continuing to see more ECCC staff return to work and we are thankful for their recovery.

There are no additional deaths to report today. Of the 16 residents who have passed away, 12 lived on the second floor; 4 lived on third floor. Our thoughts go out to all who have been lost due to COVID-19 and to their families and friends.

Truman Severson, Executive Director
Chinatown Multi-Level Care Foundation
