RE: Covid-19 update

---

### **December 03, 2020 update**

Thank you to those who attended today's family Zoom meeting and for your thoughtful questions and kind words of support.

As of today we have a total of 50 residents with active COVID-19; 9 are on the first floor; 24 on the second; and 17 on the third.

Currently, there are 38 staff who have active COVID-19 and 19 who have recovered. This is unchanged from yesterday.

Sadly, since we last reported, we have had four residents pass away and we have now lost a total of 20 residents to COVID-19: one from the first floor; 13 from second; and 6 from third. We mourn this loss and its impact on all who knew these residents.

Once again, we wish to acknowledge the support we continue to receive from AHS.
