RE: Covid-19 update

---

### **December 11, 2020 update**

We are continuing to see more of our staff recover and return to work for which we are both relieved and grateful. Once again, we have to express our deep thanks to the many agency staff who have helped us through the past three weeks. As our staff return, many of the agency staff will now go on to support other continuing care sites in Edmonton.

As of today, we have six residents have now been assessed as recovered from COVID-19. This remains unchanged from December 9.

Sadly, over the last 48 hours, three residents have passed away. Our condolences to the families and friends who have been affected by this loss.

Truman Severson, Executive Director  
Chinatown Multi-Level Care Foundation
