

Date: March 22, 2022

To: Residents, Families and Friends of Edmonton Chinatown Care Centre

---

Hello Families,

On behalf of Kelly, I would like to advise all the families that we are in Covid-19 outbreak at our site. As of this afternoon, we have 4 COVID positive cases, one resident and three staff members.

To keep our residents and you safe, effective immediately all visitation is suspended on site until further notice. We have enhanced IPC protocols in place to control the spread.

We appreciate your support and understanding.

Roopjit Mann, Recreation Manager, ECCC
