RE: Covid-19 update

December 23, 2020 update

Since our last report, we have had an additional 5 residents assessed as recovered for a total of 33.

We have had 3 staff test positive as a result of testing done on December 21. All of these staff were asymptomatic.

Sadly, since our last report on December 18, one resident has passed away due to COVID-19. Our condolences to the families and friends who have been affected by this loss.
